

Job Search Coaching for International Clients

For international clients of EHTA (South Häme Employment Area) who have completed upper secondary education or possess equivalent skills and competencies and need support in entering the Finnish labour market.

The coaching provides support with the fundamentals of job seeking, identifying your skills and competencies, and exploring employment opportunities. You will learn how to present your competencies clearly, become familiar with Finnish job search practices, and strengthen your readiness to pursue employment, education, and other future pathways.

Topics include:

- Identifying and describing your skills and competencies
- Job application documents and job search channels
- Employer expectations and recruitment practices
- Workplace rules and working-life practices in Finland
- Exploring realistic employment, education, and other future pathways

The coaching lasts two weeks, four days per week

Week 44: 26–29 October 2026

Week 45: 2–5 November 2026

Location: Hyria campus, Sakonkatu 1, 11100 Riihimäki
