

Job Search Coaching for International Professionals (Higher Education Graduates)

For international clients of EHTA (South Häme Employment Area) who hold a degree or have strong professional expertise and aim to find employment in Finland in specialist, development, or supervisory roles that match their qualifications and experience.

The coaching helps you showcase your skills, competencies, education, and work experience effectively in the job search process. You will learn how to communicate your strengths and expertise in a way that helps employers recognize your potential.

Topics include:

- Identifying and presenting your skills, competencies, and professional expertise
- Understanding how your education and work experience correspond to Finnish labour market requirements
- Networking, hidden job opportunities, and specialist recruitment practices
- Professional language awareness (not a language course, but guidance on workplace communication)

The coaching lasts two weeks, four days per week:

Week 36: 31 August – 3 September 2026

Week 37: Week 37: 7, 8, 10 and 11 September 2026

Location: Hyria campus, Sakonkatu 1, 11100 Riihimäki
